Now seeking Student Showcase projects for our ESC Region 11

STEAM
C A R N I V A L
October 17-19, 2016

Showcase projects should reflect work integrating two or more areas of Science, Technology, Engineering, Art, and/or Math.

Projects can be showcased by individuals, student groups, classes, or programs. Projects should be submitted by Friday, September 23, 2016. Scan QR code or navigate to **goo.gl/kZ8IIB** to complete the form.

See reverse for additional Guidelines and Expectations.

Guidelines and Expectations

- Projects may represent work done in class, co-curriculum courses, or personal interests outside of school.
- Projects should be hands-on for participants.
- Each project should be staffed with at least 2 students.
- Each project will be assigned a basic 6' table station. Additional space may be available upon request.
- Access to electricity is available upon request.
- Students showcasing projects are invited to attend STEAM Carnival for the full day, 8:00-3:30.
- Students will be assigned a four-hour showcase time. During unscheduled time, students are invited to participate in other carnival zones.
- Each project must have a district/campus sponsor that attends with the group, however a sponsor can supervise more than one project, if desired.
- Students included in the showcase are expected to be independent and interact appropriately with carnival participants.
- ESC Region 11 staff will be onsite, but will not be directly monitoring individual students.
- Transportation and attendance guidelines are provided by districts.
- ESC Region 11 is unable to provide transportation for showcase participants.
- ESC Region 11 is unable to provide absence waivers/excuses.
- Districts are responsible for obtaining appropriate parent/guardian permission.
- For additional questions, please contact lmcdonald@esc11.net.
