INSTRUCTIONAL LEADERS ADVISORY MEETING

Educators, dreamers, programmers, designers, leaders, engineers, scientists, artists, crafters, builders, free thinkers, machinists, inventors, and makers! Let's build a community where ideas can become reality, where innovation excels, and cutting-edge "extreme" ideas are the norm. At the Instructional Leaders Advisory Meetings, offered quarterly, you will be able to network with like-minded people and receive the latest updates that affect Region 11.

ESC Region 11 is excited about the idea of building a shared community learning space while meeting and exceeding the needs of our districts. We LEAD, We SERVE! Are you ready to join our innovative culture? If so, sign up here:
