

TEXAS SUCCESS TOT SESSIONS

THINK THROUGH MATH

Student success starts with crafting the right plan for using Think Through Math. This Training of Trainers (TOT) will walk you through the steps of a successful implementation.

A.M. Audience

Novice Users - The session will include group collaboration and implementation planning. Participants will leave with a plan in hand to launch TTM.

Session Overview:

START-UP TRAINING AND LAUNCH PREPARATION: 3 HOURS

Launch for Success –This session will get teachers engaged and excited about the first step for a successful implementation of TTM. The session will include key features and functions that teachers will be able to effectively navigate such as dashboards, enroll students, manage learning pathways, review progress reports, support student motivation, and encourage basic journaling.
