

TEKS Resource System: Foundation 101

(Canvas Course)

The TEKS Resource System is a customizable online curriculum management system aligned with the Texas Essential Knowledge and Skills (TEKS). During this online learning experience, participants will be actively engaged in understanding the curriculum system while examining:

- Vertical Alignment Document
- TEKS Clarification and Enhanced TEKS Clarification Document
- Year at a Glance
- TEKS Verification Document
- Instructional Focus Documents
- Assessment Creator

These documents can be utilized for purposeful and conceptual planning, teaching, and learning. At the end of this course, participants will be equipped to articulate and implement the TEKS Resource System to increase student achievement. This online learning experience is available 24/7 for the duration of the session.
