

TEXAS SUCCESS TOT SESSIONS

COMPASS LEARNING

During the Pathblazer Training of Trainers (TOT), we will demonstrate the Pathblazer platform and take you step-by-step through the system, from both the student and teacher perspectives, while providing a level of depth and context that will help you support other Pathblazer users.

AM session audience: Novice User

Session Overview:

- Experience the student screener and diagnostic assessments to see how they place students at appropriate proficiency levels
- Experience student navigation of learning paths and the student interface in general
- Discuss recommended student best practices and brainstorm additional strategies for student success
- Explore the teacher interface and best practices for managing student data weekly
- Explore additional reports in Pathblazer that assist with grouping students and monitoring from an administrative level
- Learn how to adjust student assignments, if needed
- Prepare to facilitate Pathblazer Fast Start sessions within school districts
- Prepare to support teachers and administrators in utilizing Pathblazer to accelerate student understanding
