

SURVEY SERVICES

Helping your campus or district gather information through efficient and effective survey services

ESC Region 11 offers specialized survey services that allow you to meet your total survey needs using a wide range of customized surveys, including customer satisfaction surveys, student surveys, parent surveys, community surveys, school safety surveys, training evaluations, course evaluations, and federal program surveys.

SERVICES INCLUDE:

- Assistance in the design and development of the survey
- Assistance with survey administration/distribution using scanning forms, the Internet, e-mail, or a combination of these
- Reports (electronic and/or paper copies)
- Secure storage/warehousing of data with ESC Region 11 for future longitudinal reports with a consistent foundation
- Reporting of data by audience groups or anonymously, depending on your preference
- Comprehensive third-party data analysis for presentations to school boards, faculty seminars, or parent meetings

SUGGESTED SURVEYS:

- Site-Based Decision Making
- Staff, Parent, or Customer Satisfaction
- Parent Input for Title I or Other Federal Programs
- Teacher Input for Staff Development
- Feedback for Principals from Campus Staff
- Student and Parent Feedback for School Improvement
- Safe and Drug-Free Schools and Communities and Violence Prevention Data for Annual Public Meeting
- Community Input for Career and Technology Education Programs

CUSTOMIZED SURVEYS CAN ALSO BE DEVELOPED TO ADDRESS SPECIFIC NEEDS. CUSTOM SURVEYS MAY INCLUDE:

- Cafeteria Services
- School Uniforms
- Public Position for Bond Election
- Facility Upgrades
- Traffic Flow
- Parent Conference Options
- Student Preferences
- Alternative Class Schedules
- Preschool Parent Satisfaction
- Bullying Feedback
- High School Sports Participation Response
