*This training is phenomenal!  
This session has incredible energy  
and organization. It uses  
developmentally appropriate  
practices to understand behaviors.  
Every PK and K teacher should

teachers said about  
the Fall version of  
this session:*

*This training was  
GREAT!!!! It was totally  
relevant and the strategies  
were very realistic and  
things that I could very  
easily implement in my  
classroom.*

*One of the best,  
developmentally  
appropriate workshops  
I have been to for PK.  
Child-centered and  
meets the needs of  
all levels.*

*This was the best
