 Facebook  @crystal_klose

We have Social Studies happening at Region 11! My name is Crystal Klose and I am beyond THRILLED to be the new Social Studies Curriculum Coach. We have several Social Studies-based trainings coming your way this fall, and I am here anytime you have questions, need resources, or just want to share something fantastic going on in your classroom. Like our Social Studies Facebook page to share your ideas and collaborate with other teachers in our content area. Looking forward to creating a community of Social Studies Educators! :)
