Are you interested in using blended learning in your classroom or district? Join us for this three-day Blended Learning Academy. The academy will be in a blended format, which includes both face-to-face and online instruction. As you work to implement blended learning in your classroom, you will also have one private coaching session with one of our blended learning coaches either virtually or face-to-face.

REGISTRATION

There is no charge for participants from Instructional Solutions & Support contract districts; \$300 per person from all other districts. To register, visit the ESC Region 11 website at www.esc11.net and click on "Register." For more information, please contact Shelly Shaw at sshaw@esc11.net or Charles Cooper at ccooper@esc11.net.
