

Administering the STAAR Alternate 2

This training is for teachers and professionals who will be preparing accommodations and administering the STAAR Alternate 2 in Spring 2018. In this highly interactive workshop, participants will explore the Test Administrator Guide and website resources for preparing and giving the STAAR Alternate 2. Participants will become familiar with the scripting and scoring resources through discussion and hands-on practice and will leave the training with the knowledge and skills necessary to prepare and administer the assessment with confidence.
