

2018-2019 MUSIC THERAPY WORKSHOPS

Fall Workshop | Friday, September 14, 2018
Noon – 3:00 p.m.

SEMTAP Solved: Moving Beyond Challenges

During this highly interactive, three-hour course, music therapists will review SEMTAP assessment protocol, focusing on challenges that may arise during each step of the protocol as well as methods to prevent and move past those challenges. The presenter will also give recommendations for professional and up-to-date assessment formatting to maintain the time-tested reliability of the assessment, while keeping it relevant and flexible with current systems among school districts. Three CMTEs will be provided by the presenter.

Spring Workshop | Friday, April 26, 2019
Noon – 3:00 p.m.

SEMTAP Looking Forward: Writing Reports with Dismissal Criteria in Mind

Feeling overwhelmed by a growing caseload? Having difficulty knowing how or when to dismiss students from services? During this highly interactive, three-hour course, presenters will identify challenges of large caseloads and will present strategies to manage caseload sizes by writing SEMTAP reports with dismissal criteria in mind. Three CMTEs will be provided by the presenter.
