

The Future of Work

and our response as educators

After the invention of the light bulb,
it took _____ years for 25% of
American homes to have electricity.

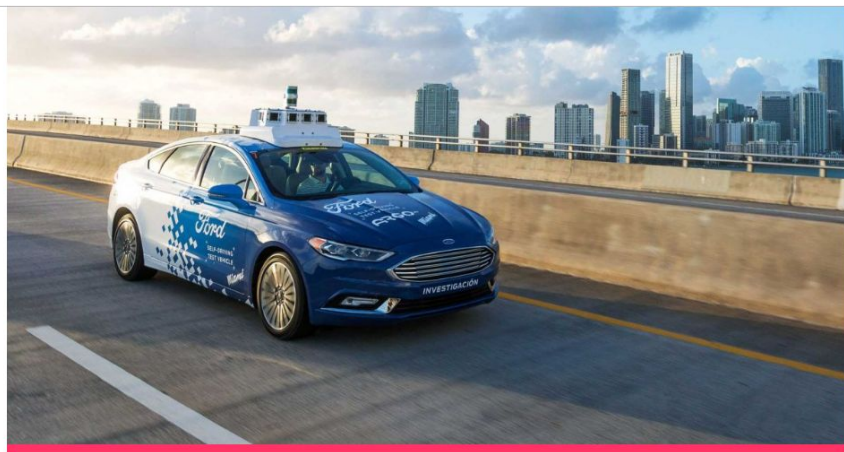

After the invention
of the Internet, it
took _____ years
for 25% of American
homes to have it.

CONSIDER THIS...

5:00

Zone A

“Siri”-type applications are being used to complete office tasks by the Human Resources Department in many large corporations.

Zone B

Fewer office buildings are built due to advancements in technology that allow personnel to work from home in a virtual workplace.

Zone D

Amazon plans to open 3,000 cashierless stores by 2021.

Zone C

Robots are used as personal shoppers.

5:00

If _____

Then...

Then...

Then...

Which means our students need _____
from us.

How can we engage in farsighted leadership in a shortsighted world?
