August 3, 2020 - October 15, 2020

Online

Welcome to ESC Region 11's Canvas 101: Lite Edition. We have pared down our robust six-hour Canvas course into a lighter, more agile version of itself. In this course, you will first be introduced to the basics of Canvas, and then be asked to create artifacts for each foundational piece. This is a self-paced online course that you can complete anytime. Once you register, you will be able to log in to Canvas and immediately access the online course.

To register, visit www.esc11.net and click on "Register."

*FREE for participants from districts that have purchased
the Instructional Solutions and Support Contract.*
