

iHistory

S E R I E S

one-hour webinar sessions • 1 hour CEU per session • all sessions begin at 3:30 p.m.

The iHistory series is a content-specific training just for educators who teach YOUR curriculum! Select all or one of the six one-hour webinars filled with digital resources and lesson ideas specific to what you cover. As an additional bonus, you get to network with others who teach it! The best professional development in the world is getting teachers in a room to talk, and that's just what we plan to do.
