Science 3-5 STAAR Review using Digital Breakout Rooms

Digital breakout rooms can be simple or more complex, and they can allow you as a teacher to differentiate for the various student needs in your classroom (including special education and language learners). Participants will share their creations and the share permissions requested.

March 3, 2021 and April 7, 2021

Science 6-8 STAAR Review using Digital Breakout Rooms

Digital breakout rooms can be simple or more complex, and they can allow you as a teacher to differentiate for the various student needs in your classroom (including special education and language learners). Participants will share their creations and the share permissions requested.

March 4, 2021 and April 8, 2021

Biology STAAR Review using Digital Breakout Rooms

Digital breakout rooms are a great way to help teachers and students review for STAAR, regardless of whether you are teaching face-to-face or in a virtual setting. Teachers will have the option to work independently or collectively in their breakout room creations.

March 9-11, 2021 and April 13-15, 2021

Technical Support Science STAAR Review using Digital Breakout Rooms

Need help with the work you started during one of our digital breakout room sessions? Do you have additional questions or need additional resource suggestions? Maybe you have hit a snag, need to bounce ideas around, need someone to review the work done, or have some other need. Drop in to one or more of the support sessions and let's do this together!

This session is FREE for participants from districts that have purchased the Instructional Solutions and Support Contract and for GoTeach11 interns; \$100 per person from all other districts.

Registration information coming soon!
