

engage *by design* digital tools series

one-hour webinar sessions • 1 hour CPE per session • all sessions begin at 4:00 p.m.

register for any or all sessions

February 10, 2021 • 4:00 – 5:00 P.M.

Getting Started with Seesaw Virtual

In this introductory Seesaw session, participants will learn how to set up and manage a Seesaw classroom. Participants will leave knowing how to add students, manage portfolios, create and assign activities, communicate with parents, and so much more!

February 17, 2021 • 4:00 – 5:00 P.M.

Beyond the Basics with Seesaw Virtual

In this session, participants will learn how to go beyond the basics with Seesaw. We will explore ideas for small-group instruction, at-home learning, assessment, and so much more!

February 24, 2021 • 4:00 – 5:00 P.M.

Assignments and Assessments with Seesaw Virtual

In this session, participants will learn how to navigate through the Seesaw Activities Library, create activities, and use assessments to drive instruction and engagement.

March 3, 2021 • 4:00 – 5:00 P.M.

App Smashing with Seesaw Virtual

In this session, participants will learn how to use apps like Chatterpix, Do Ink, Google Slides, Google Forms, and so much more to enhance student engagement in all content areas.

March 10, 2021 • 4:00 – 5:00 P.M.

Choice Boards and Seesaw Virtual

In this session, participants will learn how to build and use choice boards in meaningful and engaging ways in the classroom. Choice Boards provide students with the power to choose “how” to learn a particular subject or concept. This freedom encourages them to be more responsible, accountable, and independent in their learning. It also allows them to work on the activities at their own pace. Choice Boards can be used across all grade levels and content areas.

April 7, 2021 • 4:00 – 5:00 P.M.

Feedback and Seesaw Virtual

In this session, participants will learn multiple ways to provide feedback to students through the use of Seesaw. Feedback is an essential part of effective learning. It helps students understand the subject being studied and gives them clear guidance on how to improve their learning. Feedback can improve a student's confidence, self-awareness, and enthusiasm for learning.

April 28, 2021 • 4:00 – 5:00 P.M.

Small-Group Stations and Seesaw Virtual

Explore how Seesaw can support your students' creativity, independence, and choice during literacy and math small-group stations. We will share simple ideas to enhance your current stations by incorporating basic Seesaw tools and activities.
