

Hello from GoTeach11!

It's hard to believe that we're heading into hiring season for the 2021-2022 school year. If you have teaching positions for which you need quality teachers, we would love for you to check out our candidates! GoTeach11 has some excellent candidates who will be ready for their Intern or Probationary Certificate when school starts in the fall (so they are eligible to be hired for a fall teaching position now). Click [HERE](#) to be taken to our list of candidates. This list is updated almost daily as new candidates enter the program and pass the content and PPR exams and/or accept positions, so be sure to check back regularly. Many of the candidates even have brief introductions and resumes for you to view.

A benefit to hiring GoTeach11 candidates is that they come with full support from our ESC Region 11 specialists. Each candidate is assigned a GoTeach11 Specialist, who is dedicated to the success of each of our candidates. The specialist is available to provide additional coaching to candidates at the request of the administrator. The candidates are also assigned a Field Supervisor, who makes regular visits to the teacher's classroom (in-person or virtual) for coaching opportunities. The Field Supervisor can also provide additional coaching if the administrator or GoTeach11 staff feels it necessary and/or beneficial.

If you need a letter of eligibility, I am happy to provide that for you. Of course, once the candidate has been hired, we will provide you with the official Statement of Eligibility.

We look forward to helping you with your staffing needs and welcome any questions you may have about our candidates.

(And don't forget that we're always here to assist with questions you may have about certifications and certification requirements - not just for our candidates!)

Kayce Hale
